Students from the E.U. not holding a European Health Insurance Card must provide a letter from their private insurance company, certifying that they benefit from a health insurance coverage with no limitation in amount for the length of their stay in France. They can also register with the French national health insurance.

- Students being 28 or older on September 28, 2026 must provide proof of a health insurance covering medical expenses and hospitalization during the stay in France.
- Students from Québec: copy of the SE64016Q6106 form
- All other students or students not providing the required certificate can subscribe to the French national health insurance named “sécurité sociale” right upon their arrival at BESIGN. It's for free. It covers up to 60% of medical expenses. We recommend taking an additional private insurance, covering up to 100% (12 – 25€ per month).
